

OVERNIGHT STAY SITE MANAGEMENT PRACTICE

STATEMENT

We aim to provide a clean well kept site please help us by using all our facilities in a thoughtful manner, disposing of any rubbish or refuse in the bins provided, and reporting any problems immediately to a member of staff, and please follow our procedures for a happy and safe stay. Thank you.

SECURITY & SAFETY

Staff will follow a strict procedure to ensure security standards are maintained these will include

- . All over night stays must be pre-planned register their vehicle registration and staff to enter details into camping log book.**
- . Authorised staff will identify vehicular access and guide each vehicle to its appropriate parking space.**
- . Competitor's fuel should be kept to a minimal and must be stored safely and in appropriate containers.**
- . Emergency vehicles shall have access at all times to within 90 metres of any vehicle staying on site**
- . Barbecues will be disposed of safely and securely ensuring there will be no hazard to risk of fire.**
- . Adequate arrangements shall be made for the storage and disposal of refuse.**
- . Adequate W.C's will be provided for both male and female with access to a constant supply of water.**

- . **Fire precautions – There will be a fire point signage and sufficient fire extinguishers ready available. A clear written and conspicuous notice to include...**

On discovering a fire.

- . **Raise an alarm
call the fire brigade (the nearest and land line telephone is sited at race control)**
- . **Attack the fire using the extinguisher only if it is safe to do so.**

It is in the interest of all over night stayers to be familiar with the above routine and method of operating fire fighting equipment.

- . **Under MSA rules all competitors should carry a portable fire extinguisher in their vehicle.**
- . **The name and telephone number of site staff will be made available to over night stayers who must be in possession of an operational mobile telephone.**
- . **A member of the appropriate club committee or a representative must be on site at all times whilst camping.**
- . **There will be adequate car parking for vehicle occupiers and site visitors, safely located and which allows clear access by emergency vehicles.**
